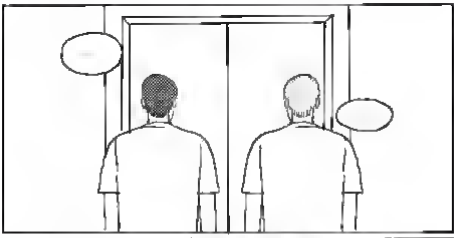
10th Dimension Boys

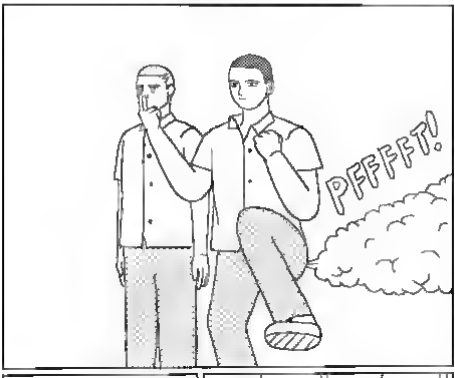
87. In the Elevator

BEEP!
The door is closing
Going in this elevator reminds me of the old memory
It's the memory I could never forget..
That accident.
2



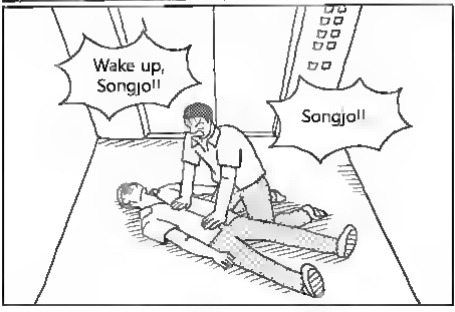
I need to fart..
Since it stinks like fuck I should block his nose..

FWUMP!

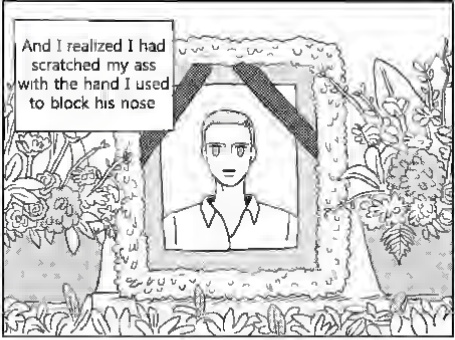


PFFFFT!

CRANK!

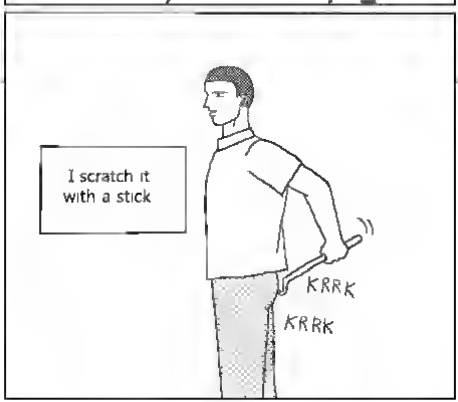


Wake up, Songjo!!
Songjo!!



And I realized I had scratched my ass with the hand I used to block his nose

Since then I don't scratch my ass.



I scratch it with a stick
